

you can print this picture and then cut out and wear your Luna Sleeper mask!

print this in "landscape" mode  
so the picture fills the whole page

you can punch two holes in the mask  
and tie a string across the back  
or  
you can tape the mask to a stick and  
hold it up to your face

cut along the outer edge

don't forget to cut out  
the holes for  
your eyes!
