

# TRICKY TREASURE HUNT!

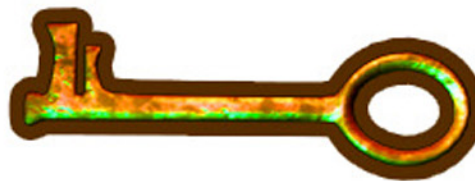

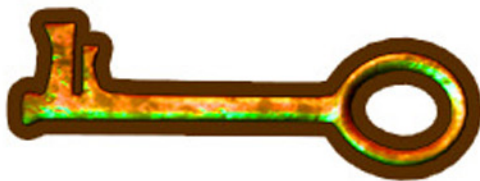

After the TREASURES have been found, let each person COUNT up the SUM of their treasures & use them to "BUY" candy or prizes.

Who says MATH can't be fun?

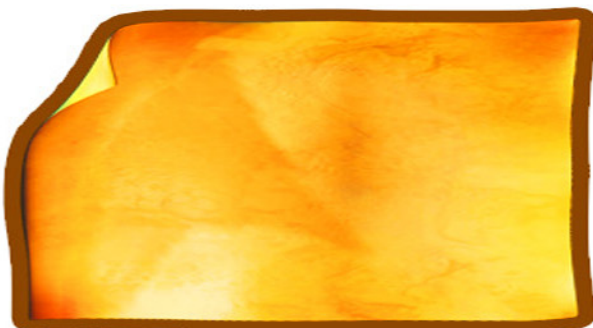

Treat some one to a Tricky Treasure Hunt!  
**PRINT & CUT** out the TREASURES below & **HIDE** them.  
see our Idea Page for full instructions or visit Arts & Space Crafts at [WONDERLENS.com](http://WONDERLENS.com)

COINS = 10 points
